Call for Board Advisory Position: Indigenous Lands Manager

FOR IMMEDIATE RELEASE

April 3, 2023

Montana Trails, Recreation, and Park Association (MTRPA), is an affiliate of the National Recreation and Park Association (NRPA). We are on a mission to help Montana preserve and utilize our parks, trails, and recreation resources across the state while supporting the growth of our professional industry behind the scenes of these beloved areas and programs. In an effort to include, increase and prioritize the presence of indigenous organizations and agencies in our Association, we are inviting Tribes and indigenous land managers throughout Montana to join the MTRPA.

The MTRPA Board has been asked to create an Indigenous Lands Manager Member position and membership tier for indigenous members. Further, a land acknowledgement was proposed, and is currently being crafted, to include on the MTRPA website, offices, and other visible materials. At MTRPA 2022 Annual Conference, the Board officially voted to open a Indigenous Lands Manager member position. It is our hope that fulfilling this position will generate advice from indigenous land managers which is needed in our Association in order to support Trails, Recreation, and Parks across the traditional land of the Crow, Northern Cheyenne, Sioux, Gros Ventre, Assiniboine, Chippewa, Cree, Blackfeet, Salish, Kootenai, Pend d'Oreille, and Little Shell Chippewa, also known as the state of Montana.

We are seeking nominations for our new Indigenous Lands Manager position. The nominated individuals will be asked to provide advisory support and recommendations for implementation of the Association's vision, goals, strategic work program, awards program implementation, new officer training, legislative activity, by-law adherence and review, and other interests as determined by the Association and Executive Board in relation to indigenous lands, non-indigenous

lands, and all other general MTRPA business.

Currently, we are searching for advice about a Tribal Membership tier that could be at a lower cost than other membership tiers. Would you or your organization/agency be interested in working with us on this endeavor? Your participation could strengthen our acknowledgements and allyship across parks, recreation, trails, natural resources, and conservation departments within Montana.

To inquire, send a letter of interest to contact@mtrpa.info.

Please let us know if you have any questions about joining us.

BY-LAWS OF THE MONTANA TRAILS, RECREATION AND PARK ASSOCIATION

Service Proposal

Client: Montana Trails, Recreation and Parks Association

Position: MTRPA Resource Development Coordinator

Date: October 26, 2023

Summary

Proposed services will be assigned to and provided by Cassie Lasson, Vice President and designer of her family owned company, FrontDesk, Inc. Cassie's father, Lee Lasson, founded FrontDesk, Inc. in Estes Park, Colorado in 1998. Cassie has been working as a designer with FrontDesk since 2009.

Cassie has been in the Flathead Valley of Montana since 2014. Cassie is a graphic designer, web designer, outdoor photographer, and fine artist with a visual hunger that is always expanding her professional endeavors.

Cassie was recommended as MTRPA Resource Development Coordinator by Maria Butts, *MTRPA President Elect & Director of Whitefish Parks and Recreation Department*, after Cassie completed their interpretive trail sign designs, logo/brand, and tree-identification-science-illustration for the new James R. Bakke Nature Reserve in Whitefish, Montana. With that fulfilling community experience in the Nature Reserve project, Cassie's strong passion for the outdoors, and her cravings for new creative outlets are catalysts that drove her to become part of the MTRPA. Cassie has been contracted since 2019 as the Resource Development Coordinator for MTRPA.

Examples of Recent Client Projects

Project: James R. Bakke Nature Reserve Interpretive Trail Signs & Tree-Identification-Science-Illustration

The Client: *City of Whitefish, Parks and Recreation Department*

James Bakke, local Whitefish artist and beloved community member, deeded his land to the City of Whitefish with his passing in 2013. It was his wish to preserve the property as open space for the community to enjoy. In 2017, Cassie started working with Maria Butts, *Director of Whitefish Parks and Recreation*, and Carla Belski, *Community Services Coordinator of Whitefish Parks and Recreation*, to design their quirky vision of the interpretive trail signs. They wanted the signs to be different from anything else in the surrounding areas. With the goal being to have three different interactive sections of the trail signs including tree identification, exercise, and Bakke's history/art, Maria and Carla needed a way to bring the ideas together in a cohesive experience.

The Work: Mood Board Options, Sign Layout Options, Tree-Identification-Science-Illustration, Legwork with Printer

Cassie conducted a comprehensive creative brief to start the project by identifying goals, details, and questions for the project. The whole team decided the signs would appear to look like canvas sitting on easels throughout the trail. They snowshoed the property together in the middle of winter to plan out placement. While Maria and Carla worked on creating/collecting the actual content for the signage, Cassie started designing right away. She presented multiple "mood board" options giving ideas for colors, textures, logos, fonts, and general moods to choose from. As a group, tweaks were made to the mood boards, and a final brand was born from the process. The custom Nature Reserve logo was created by hand tracing James's artist signature. The iconography, interpretive trail map, tree I.D. illustrations and hand lettered labels were drawn by Cassie and vectorized. Background textures represented stretched canvas with overlaying paint blobs and crayon swatches. That "mood" was brought over to sign design layouts with options to choose from. The signs were revised in multiple rounds until complete. Cassie worked with Carla and Maria closely to make sure signs were perfect by adjusting anything necessary as more feedback from the board and contributors came through. Upon design completion, Cassie worked closely with the sign printer by conducting print checks to ensure signage came out perfect and timely. At the opening of the first ever Nature Reserve in Whitefish, Cassie spoke to around 50 people about the design process and how truly fulfilling this community project was. Community contributors, friends, and family of James Bakke were very pleased with the outcome of the designs and felt James would be too.

Project: Estes Park Rotary Duck Race Festival Website Redesign & Social Media Management

The Client: *Estes Park Rotary Club*

The Estes Park Duck Race is an event held annually in May where the community comes together in all aspects and rubber duckies race down the river. Adopting a duck costs \$20 and \$19 goes to the participating charity of your choice while giving the opportunity to win big prizes! This race has raised over 2 million dollars for local charities in 30+ years. Every year the Duck Race committee tries new ways to get more duck adoptions. The Estes Park Rotary Duck Race website www.epduckrace.org first went on-line in 2011 allowing duck adoptions electronically, originally designed by FrontDesk, Inc. Then, in 2017 it was decided that the duck race site needed to be responsive to all devices with an updated look and new eCommerce integration using Eventbrite event ticketing system.

The Work: Web Design, Branding, Content Creation

Cassie presented re-design options to key Rotarian Duck Race leaders, such as club President Kathy Groesbeck, to collaborate on the look and functionality you see today.

Although there was a duck logo, the Festival needed an overall look that tied everything together. Special text treatment to “Estes Park Rotary Duck Race Festival” was given along with rich graphic elements like a colorful mountainous background to set the brand and tone of the newly dubbed “festival” addition to the 30 year traditional duck race.

The new **www.epduckrace.org** site is developed using WordPress.org with Amazon Linux AMI configured LAMP stack (Linux, Apache, MySQL, and PHP) on a Amazon Lightsail instance. WordPress.org’s dominant Content Management System (CMS) powers nearly 30% of the world wide web. This CMS allows for the Duck Race Rotarians to post blog updates, change/create pages like how to get involved, promote, learn about the charitable Organizations, Sponsor recognition, of course Duck Adoptions, and prizes/winners lists. FrontDesk, Inc. provides their “FrontDesk WordPress Care Package” keeping the server and WordPress up-to-date and secure. The integrated Eventbrite event ticketing eCommerce application routes on-line traffic to on-line adoptions sales that create about one third of all adoptions sold! (Visuals on next page.)

FrontDesk, Inc. has worked with the Estes Park Duck Race for years providing web design and other services. During social media production Cassie worked with a copywriter using custom graphics, stock imagery, and typography. She also created training documentation of how to use these items for the charities, sponsors, and the community to share on their own platforms. These images were created and tested for all social media platforms needed for the charities including Facebook and Twitter. Cassie also conducted a training seminar with the local charities to expand the knowledge of the charities to raise more funds for their cause. As a leading example to the charities, we created a social media calendar and scheduled posts until the race that ultimately raised engagement.

Project: Estes Valley Community Center Brochure

Client: Estes Valley Recreation and Park District

Cassie has worked with the EVRPD for a number of years on multiple items including web consulting, web hosting, web updates, design, and responding to RFPs. Recently in the spring of 2018, *the Marketing and Communications Manager of Estes Valley Recreation and Park District*, Dawn Wilson, contacted Cassie to expedite design layout needed for a three-panel brochure to replace the existing rack cards.

The Work: Layout/Design Brochure

Dawn provided Cassie with the wording for the brochure, some stock photos, and example brochures from other EVRPD departments like the golf course and the marina to be modeled off of. Cassie understood and followed style guidelines provided by the EVRPD to be consistent with the brand. After the first design round, Cassie recognized that some stock photos provided did not work with the flow. She identified and advocated for other images to be used that ultimately helped support the content visually. Cassie expedited the work for Dawn to get the brochure done as quickly as possible while still paying attention to detail to produce high quality print materials.

Showers

Showers are available at the Estes Valley Community Center during open hours. Fee is included in the daily admission. Please bring your own towel.

Scope of Services

FrontDesk, Inc.'s employee, Cassie Lasson, will provide strategic resource development and operations for the MTRPA. Major responsibilities and examples of those responsibilities include:

- **Attend and help coordinate meetings with MTRPA President.**
EXAMPLE: Meet with Mike in person or via remote software (such as GoToMeeting or Skype) to plan meetings, strategize promotions/support for MTRPA memberships, partnerships, and revenue opportunities. Cassie has a valid driver's license and a reliable vehicle to travel across the state of Montana.
- **Produce publications, including editing, design, distribution and advertising, with MTRPA's website/communications board member.**
EXAMPLE: Use publication software like Adobe InDesign to design and edit publications. Work with online software for email blasts and printer and MTRPA for distribution vendors as needed. Strategize and apply marketing efforts with MTRPA's board members for publication outputs.
- **Update promotional materials such as website and social media and professional directory with MTRPA's website/communications board member.**
EXAMPLE: Work with the MTRPA's board to evaluate and update the <http://www.mtrpa.info> website including update/promote professional directory, and brainstorm/create/schedule social media graphics/posts.
- **Assist in maintaining MTRPA's membership database membership renewals; assist MTRPA's Membership coordinator in recruitment.**
EXAMPLE: Work with MTRPA's Membership coordinator to maintain membership database, promote recruitment, and support recurring memberships. Evaluate usability/experience for members such as renewal reminders, reinforce member benefits, and plan email marketing efforts including member "thank yous" that share efforts made possible by membership dues to strengthen member relations and renewals.
- **Coordinate training opportunities, such as Certified Playground Safety Inspector Course and member meeting training, with MTRPA's board.**
EXAMPLE: Be involved in planning training opportunities with MTRPA's board to identify materials needed for training and to strategize promotional outreach of said training opportunities to grow awareness.
- **Work with the host agency on annual state conference as requested, including marketing, registration and on-site support.**
EXAMPLE: Design marketing materials for state conference, setup and/or promote on-line registration, and attend conference for on-site support.
- **Manage and strategize with MTRPA's board, including strategic**

planning facilitation.

EXAMPLE: Brainstorm, plan, schedule, and execute efforts such as marketing to support MTRPA's goals.

- **Assist MTRPA's board in development of strategic partnerships.**

EXAMPLE: Explore how existing and future partnerships can be strengthened and utilized with MTRPA.

- **Provide staff support to MTRPA's board.**

EXAMPLE: Facilitate needs for board resources and development.

- **Attend regional and national meetings as time and funding permit.**

EXAMPLE: Travel across region and nation to meetings to better understand the current climates and tactics for MTRPA ongoing goals.

- **Provide legislative support services, including monitoring legislation (bill tracking), publishing electronic legislative updates for members, drafting and coordinating testimony and testifying as needed, participating in the interim legislative process and other policy issues, and providing a presence for MTRPA at the State Capitol.**

EXAMPLE: Create and publish materials relating to legislative updates. Although Cassie has not worked at the legislative level before, she is willing to learn and travel to the State Capitol to be a presence for MTRPA.

- **Work with the President and board to develop a sustainable revenue source to help support this position and MTRPA.**

EXAMPLE: Create marketing strategies for MTRPA to grow their audience and revenue. Review stats on strategies for insight on efforts to direct next steps to continue sustainability for MTRPA Resource Development Coordinator.

Date: Friday, September 15, 2023 3:38:51 PM

Hi Danielle!, Cassie and Mitch! I won't be in attendance at the mid-year meeting. Too much travel this year and the budget is depleted! However, could one of you provide the following information, under the agenda item Montana Trails Coalition (MTC) Report, the following:

At the January Montana Trails Coalition (MTC) Board meeting, Bob Walker announced his retirement from Chair of the Coalition effective December 19, 2023. Even as a volunteer, It has turned into an approximately ½ time job and I'm ready to take a break. The Coalition is on a fund-raising campaign now with the objective to raise enough funds to employ at a minimum a ½ time Director or contractor. We will be requesting an investment from the Montana Trails, Recreation and Parks Association to assist with this effort.

At this time, the Coalition received a \$10,000 grant from the Rails-To-Trails Conservancy and Bob Waker donated \$1,000 in hopes that others will match or exceed that amount. Upcoming changes to the MTC web page will include donation and membership information.

In the future, I plan to continue to provide Emails with information from state and national agencies and organizations with up-to-date trails and grant information, will continue to serve on the Board of American Trails and Montana's State Trails Advisory Committee and hope, with the approval of the MTRPA Board, to continue to be a trails advisor to the MTRPA.

Hope you have a great meeting in Billings and look forward to our next face-to-face meeting!

Bob
