Dear MTRPA Members,

I hope you are all doing well. Please find information below regarding 2019 membership renewals and information on upcoming conferences and trainings.

Membership Renewal:

It is that time of year again to renew your membership with MTRPA. Thanks to those of you who have already renewed. I have attached a copy of the 2019 membership renewal paperwork. You can also register online through our website [here](#). If you use the online renewal option, please note that we use PayPal to process payments. Please proceed all the way through to the end of the payment screens to ensure your payment goes through. If you register online, you will receive an emailed receipt. I know last year a few of you did not receive the emailed receipt. Please let me know if you have any trouble with that and I can reissue a receipt if necessary.

2019 Highlights:

As some of you know, this year will be a year of transition for our organization. We will be moving our state conferences to the spring beginning in 2020 in Butte. This is so we have fewer conflicts with other fall conferences like NRPA's national conference and the Montana League of Cities and Towns' (MLCT) fall conference. It will also align us with neighboring states who have moved to a spring conference. During this year of transition, we will be holding our regular mid-year meeting in the spring in Butte (date to be announced soon). That meeting will be available by phone and video conference as well. We are also working on holding training and education sessions in the fall of 2019 in conjunction with the MLCT's conference in lieu of our own state conference. The MLCT conference is in Billings this year with dates and times currently unannounced. We will send out update as more information is available. We look forward to making a greater connection with MLCT and providing CEU and other training opportunities for our MTRPA members and other colleagues at that conference.

Other Training:

There is an upcoming CPSI course in Bozeman April 8-10. Please find more information here: <https://learningbynature.org/play-it-safe-cpsi-course-in-bozeman-mt/>

Thank you for the work you do in making Montana a great state for parks, recreation, and trails.

Best,

_____, MTRPA Membership Chair
